ELIXIR RARE TEQUILA COLLECTION

RELEASE #

We have been collecting agave spirits for 10 years. In that time we've seen distilleries change, brands and bottles disappear and some great vintage bottlings come and go. We've cellared them like many people cellar wine. And now we're selling them so that you can enjoy them. You probably won't find these tequilas anywhere else, except maybe Tommy's. Enjoy these in 1.5oz servings or .75oz servings. Build your own flight to taste them side by side!

CHARBAY BLANCO 1ST RELEASE 13#6.50

This was the first release of Charbay's Blanco Tequila made in the La Altena Distillery in Arrandas

PUEBLO VIEJO BLANCO 1999 10#

1999 Pueblo Viejo is considered to be exceptional tequila because of changes made to their production in 2001.

HERRADURA REPOSADO TEQUILA NATURAL 2000 15#7.50

Herradura began use of a diffuser (more modern production) in 2002, which changed the flavor of their tequila.

TEQUILA OCHO ANEJO 2007 EL VERGEL 20#

This was the first release of Tequila Ocho Anejo to arrive in the US. It is no longer available commercially.

LOS ABUELOS REPOSADO LOT#2 31#5.50

This is the 2nd lot of tequila released by Guillermo Sauza's new distillery, before the use of charcoal filtering in Lot 3, and before they were forced to change the brand name to Fortaleza in the US market.

CHINACO NEGRO LOT #5 55#7.50

This was the very first barrel of Chinaco Negro released (Extra Anejo). Incredibly rare and delicious.
